Lee Kuan Yew 1923 – 2015

Tribute to our founding father

Acutus joins Singaporeans in mourning the passing of our Founding Father, Mr Lee Kuan Yew.

The late Mr Lee was an exceptional statesman. He has dedicated his entire life to the building of modern Singapore. His wisdom, vision and relentless efforts had transformed our nation into a global city that has earned international recognition.

We have much to thank him for his role as a pioneer in laying the foundation of the success of Singapore. It is indeed a privilege of all Singaporeans to have benefited from his lifelong commitments and achievements. We are certain that his conviction and legacy will continue to inspire future generations.

This is a sad period for Singapore and we would like to extend our deepest condolences to our Prime Minister, Mr Lee Hsien Loong and his family.

Our thoughts are with them in this difficult time.
