Acutus

Acutus Corporate Services Pte. Ltd.

“ We are able to design, customize and manage your payroll, accounting, corporate portfolio professionally to suit your demands and budget.”

Business Process Outsourcing Services

In today's context, as businesses are facing constant erosion in profit margins, managements across all industries are trying to do more with less by targeting for greater productivity and efficient cost controls. New business models are emerging every day to fulfill such objectives and thus the benefits of outsourcing are being realised.

At Acutus, we offer strategic advice with in-depth knowledge and experience drawn from our long and varied experience to deliver effective financial and accounting solutions to businesses across various sectors.

Our work culture and expedient service discipline have enabled us to be a trusted partner to our clients and be at the forefront in our industry.

Our Business Process Outstanding Services include:

- Accounting Advisory & Management
- Accounting Services
- System Development & Review
- Payroll & HR Services
- Compilation of Financial Statements
- Estate & Trust Accounting

Corporate Services

At Acutus, we also provide a comprehensive range of corporate services to both domestic and international companies by assisting them in their statutory compliances. Here, our team of dedicated professionals ensures our clients are provided with timely service to assist them in keeping their business relevant and compliant.

Our Corporate Services include:

- Companies Incorporation (Onshore & Offshore Jurisdictions)
- Registration of Branch and Representative Office
- Application for Employment Passes, Work Passes, Visa & Permanent Residency
- Companies Act Compliance Services
- Advisory on Fiduciary Duties of Company's Directors / Employees
- Advisory on Corporate Structures
- Provision of Nominees
